RE: CHARACTER ASSASSINATION AND
RETALIATION AGAINST A LITIGANT

ATTN: CATHY A. CATTERSON
& ALEX KOZINSKI

MS. CATTERSON,

At this time, the undersigned named litigant, EDWIN H. CROSBY III, hereby REPORTS to the CIRCUIT EXECUTIVE the "retaliation of, and character assassination of, his person by U.S. Department of Veterans Affairs Employees".

On MARCH 27, 2013, a Veterans Affairs doctor, one KRIS A. HANCHETT, did with total disregard for Veteran Crosby's Due Process Rights, submit a document entitled PHYSICIAN NOTE into the OFFICIAL RECORD of Veteran Crosby. Said document accused this veteran of being a "DRUG USER" (Hydrocodone) and having a "history" of amphetamine use. His physician note is FULL of false statements, conjecture, and deprivation of veterans civil rights.

Since I am the SECOND named litigant in this litigation (copy Front Page is attached marked DOCUMENT ONE. Moreover, since I am the Vietnam Veteran who took lawsuit to U.S. Supreme Court regarding the SECRET CODED NUMBER placed upon ALL 25 MILLION Veterans " without their knowledge ", I have the PROOF beyond a reasonable doubt to prove our case should we get to TRIAL at the 9th Circuit.
